**VOTE FOR KID MAYOR
ON OCTOBER 1ST, 2017
AT FERRARI FARMS
FROM
10AM TO 2PM.**

TO MY CONSTITUENTS:

I love meeting other kids and want to help try to solve the problems we see in our community. Some I see: Kids need more chances to be outside playing in parks, walking, or riding our bikes to school. Most of us have too much busy work homework. Teachers should let kids be kids after school and stop assigning too much homework. We learn a lot more playing with each other, reading books we like, and having healthy dinners with our families than from worksheets! Some elementary schools have banned homework, and I think all schools should do that.

ISSUES IN MY COMMUNITY THAT CONCERN ME:

- Kids have too much homework
- There needs to be more safe bike path on roads to schools and more parks for kids to safely play in.
- Libraries should have better hours.

WHAT I WANT TO ACCOMPLISH

- I want to make sure kids read fun books a lot, so I would make sure they know where to borrow books and try and find free books for kids who can't afford them or can't get to a library.
- I want to make sure kids have lots of exercise to make them happy and healthy. I would encourage them to get outside into our parks to play and to walk or ride their bikes to school!
- I want to listen to kids about how Washoe County could be better and then send those ideas to the real Mayor or government people to see if they could make those changes.

THINGS I LOVE ABOUT MY COMMUNITY

- I love the Truckee River.
- I love being in Girl Scouts and the community service work I do with them!
- I love the good musical theater that comes to town and fun children's
