VOTE FOR KID MAYOR
ON OCTOBER 1ST, 2017
AT FERRARI FARMS
FROM
10AM TO 2PM.

TO MY CONSTITUENTS

I think I should be Kid Mayor because, I want to stop all the wildfires going around. When I go to school I don't like seeing all the black hills from fires. Also, I would like to provide warmth to the homeless people, shelter along the highway/river. Then, I would like all the homeless people to go to a shelter or something and for people to stop littering because all the trash on the side of the highway is ridiculous! I think I would be a good Kid Mayor because I think I can help stop these things I have listed on here.

ISSUES IN MY COMMUNITY THAT CONCERN ME:

- All the liter.
- All the homeless shelter along the highway.
- All the wildfires going around.

WHAT I WANT TO ACCOMPLISH

- To provide warmth to homeless people.
- To raise more money for Nevada for Children's Education.
- To donate to child orphan.

THINGS I LOVE ABOUT MY COMMUNITY

- How most people are caring and kind.
- How the drought in Nevada isn't as bad anymore
- How the teachers care about their students education.
